“ My deepest sympathy to you Pam and to Gussie's family. I know she will be sadly missed. She took me in under her wing like a mama hen when I was first married. She and Carey took us into their home to live and helped me thru my first pregnancy. Of coarse, Carey and Tommy , we friends for years before that. My first daughter , Kim, went upstairs every night when Gus got home from work to get her some loving hugs. When we moved and went back for a visit, Kim ran across the porch yelling " Gussie, I'm home." And now bless your heart, you are home. Rest in sweet peace my friend.

“ We would like to send our deepest sympathy to Gussie's Family. We did not have the opportunity to meet her, but had friends who spoke of her often. Saying that she was a determined and delightful lady. We are thankful that she is resting and awaiting her resurrection.

“ I volunteered for Hospice and was privileged to spend time with Gussie. How I enjoyed her stories and reminisces of the past. She was truly a unique person. We know that she is in heaven with her loved ones. I met many of her nieces and great nieces and they too were warm and loving people. She will be missed by all
