“ I was saddened to see Bennie’s obituary in the newspaper . I have known him for about 14 years . I use to go to Holbrooks a lot and I always tried to go see my buddy Bennie . I would bring a hymnal and I would sing Christian hymns to him . He had a favorite hymn , I forget what it was but we sang it . Because of the Covid virus I haven’t been there for a year. I will miss him . My condolences go out to you all .
