“ My sympathy to our cousin, Bob. Aunt Madge was a fun loving aunt who could bring laughter to the room and a smile to everyone’s face. My last visit with her was playing guitar and singing in her living room about the goodness of God and heaven as our home for those who love the Lord. Special thanks to my sister, Brenda Darlene, who provided last days care and was with Aunt Madge when she died. Our dad would be pleased.

Our sympathy to family and friends of Madge. Madge was a close friend of mine in church and out of church. I use to clean for her and John and Bob. Years back. Good memories always. Madge and I use to look forward to putting in our BD money together each year. Mine and her BDs were the 16 of February. We shared a lot of good Christian fun together. We loved her dearly. My husband got to know them later and we loved her son Bob. Bob, remember the God your mother and dad served and do right in Jesus. We love ❤️ you. Your mother would want me to say those words. Will never forget your dear mother and will someday be with her in heaven. God bless all her family and friends. Sue, (Alderman) Williams

“ My sister, Madge, was my life-long play-mate, (being just a little younger than I), was my partner in mischief, my housemate as young adults starting in the working world, my confidante and best friend. I will miss her greatly. But I KNOW she is at home with our Lord, free of that diseased body and no longer suffers. I look forward to being with her when my time comes to leave this world.

“ Bob,
My thoughts and prayers are with you on the loss of your Mother. She was always friendly and had a smile for those she knew and those she worked with. She would always stop and visit with me when we ran into each other. I just learned of her passing and wanted you to know that I am thinking of you.
