“ *I don't know how I missed Carroll's passing. I wish I had known. I worked with him in the tire shop many years ago and we got to be good friends. Carroll was a one of a kind guy who was always cheerful and pleasant. Had I known, I would have been at the service. May God watch over and bless Carroll's family. He will be missed greatly by all who knew him.*

“ *What a great and dear friend Carroll was to me! He and his family provided rides to church for me in the late 60s and early 70s and went out of their way to encourage and support me. Carroll had a beautiful smile and light- hearted spirit that uplifted others around him. His courage and determination in the trials of life remind us of our own need to stay close to the Lord and trust in Him. May all your memories of him be sweet and may the plan of happiness bring hope and peace. Linda Kimble*
