“ Dan one of the sweetest, nicest, most caring men I worked with at GM Design Center. I remember fondly when the two of us plus Bob Rapin would go to MCC and interview young drafting students for the co-op program at Design. Dan taught me so much about understanding their work as well as being a good interviewer! My office was right next to his for years and I remember stopping in to chat many times. Such a wonderful man!

“ My sincerest condolences to my Aunt Marion. I love you and am here for you whenever you need me. Uncle Dan was my mom, Theresa Macek Lawrence's younger brother. He was the kindest, and most gentle man. He had a huge heart. Uncle Dan always was a wealth of knowledge -- he had a cure for every situation. He always made us laugh. He gave his nieces and nephews his undivided attention. He taught us many things and took the time to show us if we wanted to learn. My heart aches. I pray that he may now rest in peace. I love you Uncle Dan. I will watch over Aunt Marion. Thank you for being a wonderful man and uncle...someone to look up to. I was very blessed to have you in my life. Ich habe dich lieb. With Love, your niece, Sharon

Dan Macek was among the best friends a young designer had at GM design. Always quick with encouragement and advice. many of us were always appreciative of his guidance. He helped every one around him look better...while looking great himself. He's the guy God made to teach the rest of us how to properly wear a vest! Thanks for the memories and touching our lives Dan. Warmest condolences to his family.
