“ A Cherished Brother for 49 years, from tearing up the roads from South Florida's sunbaked flatland thought the keys to the mountains of the Eastern United States up to Massachusetts.

Dave was known to us as "Shovelhead Dave" and his over kill 22 inch over front end on his Custom, Hand built, Corbin Gentry framed Harley Davidson Shovelhead made him a LEDGEND "Back in the Day"!

David was one of the very few that was a hands on type of Brother when we were racing our Top Fuel Nitro Funny Car...The Gold Coast Duster....later the Gold Coast Charger he thrashed with us countless hours. Speed....Horspower....Brotherhood....and Most Importantly FAMILY! This Was David Bruso.

We (the brothers) discussed Death and we all agreed...This world owes us Nothing! We lived our lives with gusto over the edge for most! We did more than most people could possibly dream of! And it was a Hoot!

The tears I shed over his passing, are for his Girls! Thru all the craziness....Dave was/is a Christian! His faith in God has him living in his house! It is by that Faith, in God's Promisses, Thru God's Grace that I have No doubt we shall be reunited again!

May the Sun be at your back....and the Wind thru your hair! Ride on My Brother! We're on your 6! Give Mags a Hug for me.....
