“ *Jack, you were a family friend, that everyone loved. You n I had a special place in each others hearts. I've known you since my daughter was just months old. You were in and out of my world for 29 years. I cherish every one of those years. It doesn't seem like it's been 2 yrs since i last chatted with you. So imagine my shock when i found this out. I am beside myself. I loved you very much. I will never ever forget you. You will always be in my heart and on my mind.....Rest in Peace, until we meet again.*

“ I have had the pleasure of knowing Jack for many years. He was such a fun loving, kind hearted man. We could talk for hours. Laughing, telling stories, talking about family, sports, Harleys, how fast his 4 wheeler could go and the day he was going to retire and move back home to WV. Jack always had a way to cheer you up or put a smile on your face. Lots of great memories. Thank you Jack!

My heartfelt condolences go out to the entire family. I will surely miss the presence of a truly lovable and kind person.

Love you always Jack!

“ Words seem inadequate to express the sadness we feel about your loss of such a great guy. We ache for you and the loss you are feeling. Death leaves a heartache that no one can heal but love leaves a memory that no one can steal. Jack's memory will remain in hearts forever. May his soul rest in perfect peace!

“ Jack, you know the lord only takes the strongest to fight his biggest battles, but I do not think any of us were ready for you to go the heavens above so soon. I am gonna miss that laugh and smile... Our American Legion Post 330 will never be the same without your presence. So glad I had the pleasure of being your friend for so many years.

Your squirrels are gonna miss you something fierce too. Damn Jack you broke my heart Rip sweet fella. Oh and who is gonna crash those beer bottles in the trash at the legion now?

Never Forgotten Ever...

Your Friend always! Until we meet again in the heavens above..

“ We all had the pleasure of meeting Jack over a year ago. He was the kind of gentle giant everyone should have in their life. He would offer a drink -crack a joke - tell it like it is. I don't think he ever met a stranger -warm ,kind-sweet sweet Jack. Didn't take any of his Culpeper or Rixeyville friends and family to love him for who he was. He came from such a strong family that he talked about and loved with all his heart. Myself along with his Virginia family will miss and love him forever. Thank you God for bringing him into our lives for now he is saying look at them silly things crying over me and he would say tell me a joke or some off wall stuff that was our Jack. Love you Jack thanks for caring and loving all of us. !!!

Thank you so much for the kind words. We all very touched and glad the Jack touched sooo many people. He was seen as a "big badass", but the ones that really knew him, he was a big sweet teddy bear. God bless all of you!

“ Jack was a wonderful person who gave the best hugs!! We shared lots of laughs, jokes and hunting stories with each other. Whenever he'd call me he'd always start off by asking me "how are things out there in the sticks?!!" I am so glad that I got to know Jack and will miss him dearly. Love and miss ya Jack!!!

“ Jack was a kind hearted man. Always with a smile on his face and open arms. He always greeted me with a hug, our secret handshake and a lot of times a joke (inappropriate jokes mostly). He was a blessing to have around and he will be greatly missed by all at Legion Post 330.
