“ *Donna was a wonderful person inside and out . I know we have lost track of each other when I moved away . But I've always thought of everyone how much fun we've had in church and after . God sure did gain a wonderful angel . Live all of you and I'm so sorry for your loss . She will be remembered for that smile and she always wanted a hug no matter where she seen you. Love you all . “ I remember Donna back when Roy and I first owned the store at Walkersville! She would always come in with a smile and brighten your day. She loved seeing Amy and Jason! They were only toddlers then. So long ago but great memories! Rest In Peace Donna! Prayers for The Whole family!

“ I have missed seeing her since she got sick... She was so very kind to me...,would lend her ear if she thought I had a heavy heart,,,explain why I may have been having a heavy heart...tell me I was beautiful even when I wasn't...touch my hand give me a hug tell me she loved me.... that meant the world to me..... The last time I seen her was on her last visit home... she remembered me.... something I will never forget... <3

“ *I will miss you Donna. Anytimes we've crossed paths you always greeted me with a smile, and a I Love you, then we ended up laughing about something. Well, I loved you too. We had several great memories and laughs. I'll always cherish hearing you and Paul sing the song about the Lighthouse. You shined like a lighthouse. I'm sure you made Heaven a little brighter with your shine. Until we meet again my friend I'll cherish our times together. For a funny memory to share, you always had the prettiest, longest full curly head of hair (which was beautiful) one night a little elderly lady ended up sitting behind you. She said, I guess I'm not going to be able to see the sermon tonight., sorry I laughed about it in church. I will remember you always. To the family, I am sorry for your loss. I know she made Heaven one more great reason to go there. Love, Kay Beane*

“ Paul and family I am so sorry for your loss. Sure you don't need me to tell y'all she loved you all so much. Oh the stories she shared! She was some lady. I didn't have the pleasure of knowing Donna before her stay at the nursing home... And one time shortly after she first came she was having a rough day and in no time she and I was laughing and goofing off and I express to her how sad I was our paths did not cross before... She stop being silly for a moment and took my face in her hands and said " Don't be sorry God placed me and you here now knowing we need each other a friendship is made" . Oh my sweet Donna you never spoke truer words, You brought so much to my life in the short time we spent together some wonderful laughter, some sad moments but most of all love... You are gone but you will never be forgotten..... I thank you Paul and family for sharing her with me God bless you all
