“Debbie , Cathy, Patty & Ashley I am so sorry for your loss. Your mother (grandmother) was not only my aunt, but she was my godmother, and we shared the same birthday. Many years ago she made my only daughter Theresa a porcelain doll, all dressed up, and even named her Sugar Britches, the doll is still very near & dear to my daughter, neither one of her daughters were allowed to play with it! I am sorry our families have drifted apart over the years, but we always think there's time. I pray for peace and comfort for all of you in this hard time. Know God's presence is with you.
