“ Elmer will be missed by the Harry Booth family for sure. We usually saw or talked to Elmer each time we visited at the Booth farm and had many a hot dog roast at the farm, sat with him at Pickens Alumni banquets and he came to the Booth reunion several times. Always remember running in to him at his farm or on the road and always with his dog. He always had a smile on his face and a funny story that he and Albert would share. Elmer and I shared September as our birthday months and he always kidded me as I was 6 days older than him. Now he and Marie are now back together and sharing all those memories. Our prayers are with all the family and know you are missing him but have wonderful memories. Albert and Anne Booth.

“ We are so very sorry for your loss the Booth family! Elmer was a friend to our entire family for so many years!!! (Thayers, Six's, Evan's, Korzenowski's and especially the Stumpf's.) We will miss you and remember all the times we shared talking, laughing, fixing things while we were visiting the farm. You were always there, and had time for everyone. Our kids loved trying to find the cats in the barn, or track down the donkey up the hill. When we said we were traveling to WV. Can we see Elmer was always the first words out of their mouths. The mountain in West Virginia is a better place because of you! Pickens will never be the same. I especially will miss riding into town on my 4wheeler stopping at the farm or catching you out in the field doing hay, spending time on the porch laughing or just hearing what you have been up to. Thank you my friend... We all know your with Marie now, dance and have a laugh!! Till we meet again! Chris, Kim, Kaden and Alena Stumpf
