“ *Sending love to everyone... I spent a lot of time with Guy and Anna when I was younger, being close friends with their granddaughter, Samantha. They were both kind people who always made you feel welcome. I'll never forget the memories we made in their home. If I happened to come on pay day, Guy would always give me \$5 so I wouldn't feel left out. I'll always remember them both with fondness.* ”

“ Such sad news to hear about! I will always remember our visits and Guy saying “Come on in!” from the kitchen back door. He was a sweet soul who loved his family and had the best stories! It was an honor to learn about his history and get to know about his life. Prayers and hugs to all the family! I will miss you Guy!

Jack and Jill. I’m so very sorry to hear about your dad passing. I remember having him as a swing bed patient a few years ago. He was a Cracker Jack. What a great sense of humor. My grandfather, Loy Crawford always spoke highly of him. My thoughts and prayers are with you all
