“ First a for most I’m sorry for your loss James and your family/friends. You were really good to your dad. Came and seen him most important second you got him what he needed and wanted. Oh how many memories I have of your dad. It was a honor to get to help taking care of him. However he was a tough and independent man. He loved when you brought the cats. He loved when I brought in my dogs. He told me the last time I brought my dogs in he told me i did better than what any doctor could do. Well Guy I’m so glad I have all the memories of you. Thank you for your service. Now you can rest and be with your wife. I will never forget you. Love ya buddy
