“Jan was gentle, kind, understanding, generous, and fun. She was an excellent cook. I remember her telling the story of riding the bus home to New Jersey from a nursing shift in New York City as she cut up garlic for a meal she planned to prepare. The bus was filled with the scent of chopped garlic. Recently, she busied herself making Jan's Jams. My pantry boasts many jars of deliciousness. I am grateful and lucky to have known her. She was a treasure.
