May 31, 1964 - May 6, 2020

Jeffrey Allen McDaniels, age 55, of Morgantown, died Wednesday, May 6, 2020, at Mon General Hospital in Morgantown. He was born May 31, 1964, in Buckhannon, a son of the late Edro “Buck” McDaniels and Patricia Duncan McDaniels, who survives. Also surviving are one sister Jackie McDaniels of Buckhannon; two uncles: Wesley Duncan and Carl McDaniels and wife Shirley; one aunt Evelyn Miller of Charleston, WV; and several cousins. In addition to his father, he was also preceded in death by his paternal grandmother Rosie McDaniels and his maternal grandparents: Ovid and Enid Duncan.

Jeff graduated Buckhannon-Upshur High School with the Class of 1982 and received a B.S. degree from WVU in 1986. He had been employed in retail management for many years with positions in West Virginia, Pennsylvania, Kentucky, Virginia, Tennessee, and Ohio. He was currently employed at Huntington Bank in Morgantown, and will be sorely missed by his coworkers there. The body will be cremated. A private memorial service will be held with the Rev. Helen Oates officiating. Interment will be in the Heavner Cemetery.

“ Jeff,

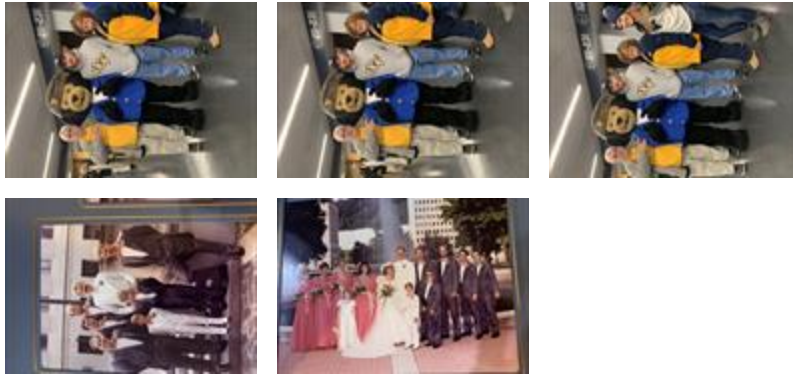

In the short time we got to know you, had had become like family to me. You may have just been my bank teller but I would come in often just to chat with you, tell stories, and you were one of the first to hear of our pregnancy.. I'm so broken hearted to know that my baby girl won't get the chance to know you but she will definitely hear about the amazing man you were! I'm sending lots of prayers and thoughts to your family.

“Dear Mrs. McDaniels and Jackie, Joe and I hope the memories of Jeff will be a blessing. We were so fortunate to call him a great friend and blessed he was a part of the best times of our life time. The journey of Jeff and Joe (Kevin too) started before me but the stories still remain. He was a bright light in our wedding and continued through the last 29 years. When Jeff moved back to Morgantown we had the privilege of getting to see him more often and reconnect. The best was this past December, we came home to Morgantown, Canaan and Buckhannon. We had an awesome time and my kids got to spend quality time with Jeff. I am sharing my photos and hope these memories are a blessing..they will always be for our family.

“ *To the McDaniel's Family:*

My condolences to you for the loss of Jeff. I met Jeff in Columbus through a mutual friend. He joined our trivia team (his sports and game show knowledge was remarkable) and became an instant friend to all. His gregarious nature was infectious and the laughter he brought to us and others at the game was infectious. Monday nights at Byrne's Pub with Jeff is a fond memory that I will carry always.

He was also part of our fantasy football league which was great because when he left Columbus we were still able to talk sports. He would come visit once a year to brag about the Mountaineers and shoot the breeze about the upcoming pro football season and how well his team would do.

I am also a long time teacher, and Jeff would update me about his sister, and you could see how proud he was of her and her career. Please know my prayers are with you all and know that the light of Jeff's memory will shine on through those that knew him.

John, Jeff frequently talked about Monday trivia, everyone on the team and the question(s) that put the team over the top - or not. He played fantasy football mainly to stay in touch with you all. Thank you for sharing your memories and words of comfort. It has been a difficult time but we will try to stay focused on Jeff's light shining on.

“ Mrs. McDaniels and Jackie,
It is hard to find words to express to you the sadness and emptiness I feel. Jeff was the most wonderful man that I ever met. He was lucky to have you as his mother and Jackie as his sister. I know you both were the most important two women in his life.

The picture is from when Jeff and I went to a Pirate's game. He was so excited to get his picture taken down on the field. That is what I loved so much about him. And the fact he really knew how to make me smile.

As he had quoted many times from the great Roberto Clemente...
"Any time you have an opportunity to make a difference in this world and you don't, then you are wasting your time on Earth." I just want to say his time here on earth was not wasted....I will miss him deeply and the time we spent together.
