“ When I think of Leona I think back to so many stories she shared of times growing up and her antics at the hospital driving the nuns crazy. I have many wonderful memories of time spent with her as well. She was always the one to make us all laugh at ladies retreats and trips. Leona was also the one to be there when anyone needed anything. My life was certainly much richer for knowing her. My condolences to her loved ones especially her sweetheart, Harold.

“ Oh, how I loved working with Leona at my father's office. She was always kind, patient, knowledgeable, and a hard worker with a big smile for all. She was, no doubt, my father's right hand! I considered her a dear friend, too. She touched many lives, including my own. Love to all the family. Beth Almond Ford

“ *Leona has been a blessing to many, especially her church and community family. She not only has brightened our lives but added value to the facts of living to everyone she touched. Leona continued to love our family and provided a special love to my daughter "Bridget". The Kincaid family will always love you, Leona. Heaven is a much better place now that you have entered. (Bob, Barb, Bridget, Landon, and Jace) We also want to keep Harold in our prayers, may he recover and get through this great loss.*
