“ *My sympathy to Leslie’s family. We were friends as teenagers and a lot of good times in high school. Have been thinking and asking classmates about her just recently. So very sorry to hear of her passing. Such a beautiful soul with an infectious laugh. Remembering Leslie with friendship and prayers.*

“ *I met Leslie when I was in the hospital in Buckhannon many many years ago. We became friends but lost touch. After moving back to Buckhannon a few years ago, I have often thought of her.*

“ *I remember her riding in the back of a very fancy Mercury (maybe a Grand Marquis).
The car was white and the rear window rolled down .She looked like a beautiful princess riding in the back of that car !*

“ *It saddens me to hear of Leslie's passing. I haven't seen or been in touch for years. Last was when she and I worked at UHC many years ago. Always loved her laughter and sweet smile and beautiful face. So sorry for you loss 😞*
