“ It is so very hard to put into words and to try to describe all that you meant to us through the past 52 years...I remember your beautiful smile and laughter, and how you welcomed us with open arms and tight hugs, as if trying to remember that moment in time for always. Time and distance did not separate us...you were like my older sister, always there with a word of wisdom or advice, only given, when asked for, loving, nurturing, friend, confidante. Letters and cards through the years to constantly remind us of your complete, unconditional love for all of us. As we all grew in Christ thru the years, it was even more wonderful to share his Blessings and Goodness with one another and all the Joys He brings to our daily lives. The beautiful walks up the grade in the summertime, picking strawberries, blackberries, raspberries, wildflowers, hearing the bees hum and fly from clover to clover, watching fireflies at dusk, enjoying summertime rains to cool off the hot days, swimming and playing in the river, Saturday laundry on ringer type washers, carrying river water up the bank for baths and laundry...all these wonderful memories we shared and will treasure as we remember and speak of you in the days ahead...tho you have now gone on before us...you will still remain ever present with us..in our hearts...until we meet , until we meet at Jesus's feet. We love you more, LeAnna and Family
