“ I loved all of Lynn's stories, jokes, and his zest for life. Some of my fondest memories were of the times I stayed with Lynn and Dottie during the summer. One evening, as Lynn walked in the door from work, he was going on and on about a song that Dottie and I just had to hear. He was so excited when it came on the radio so that we could hear it - it was Harper Valley PTA. That was my Uncle Lynn. I will miss him.
