“ I have lived beside Mr Wyatt for 23 years. He always came over to check on us even though he was sick himself. My 4 year old grandson would always go over and "help" him in the yard and Mr Wyatt always let him tag along and talk his ears off. He was the best neighbor a person could ask for..he will be sorely missed

“ You're the only Grandpa I've ever known and you were the best! I never cared to have another because no one could've been better. You were there since the day I was born and I always felt the love. You were that same great person every day and you never changed. I will love and miss you forever

“ *I love ya pop. You always treated me & sue like your own. I regret not coming to see you more in these past years. I guess I never thought this day would come but it did and I'm broken hearted just like the rest of the family. This ain't the end though. We'll all see you in heaven one day.*
