“ *The wound in my heart is to fresh to put in to words so for now know I love you, until the time I hear you say " Dicks hot dog's if you like hot dog's you'll Dicks" some may find this inappropriate but that is the way he would answer when I called. I love you baby brother. You're sister Vicky*

“ I've been trying to put together the words to say while grasping the
fact that you're truly gone. I've gone through every emotion a
person can think of. The last three years that we shared together
were unforgettable and I'm truly grateful for every memory we
shared. From trips to Pittsburgh to just having lazy days where we
laid around binge watching our fave shows and eating gelato and
Reese cups all day. Life had it ups and downs, but I was so blessed
to get to share life with you while we did. I know you're in a better
place & I'm sure when it's my turn we will meet again. You left
behind an emptiness that cannot be explained. Give Puck hugs and
kisses for me up there!

*To My Son,
Where do I go from here....
It wasn't supposed to be like this, you were supposed to take care of me I was supposed to go first. The pain is unbearable, I don't know how to go on. We had planned so much together, places to go. I miss the smell of you smoking meats for all of your friends. I miss you on the couch where you laid so sick, I miss us watching our shows together. It's so hard without you in my life I know you're walking with Papa now. You have wanted that for so long you loved him so much. You're not in pain anymore and you're at Peace now with our Lord and Savior.*

*Love You Forever
Like You For Always
As Long As I'm Living
My Baby You'll Be.....*

*Til' I Hold You Again,
Love, Momma*
