“Dearest Monna,
What an absolute privilege it has been to be a part of your life even in the smallest of ways. You are the brightest light in the sky and we couldn't possibly love you more than we do. We will always miss you picking on Johnny while always smiling right behind it. Your love for each other is something we will forever admire and only hope to be the example you have put in front of us. You have taught us so much about what a life full of kindness and service is all about. You are everything this community stands for and you will forever be missed but you will always be remembered by just being You!!!! We are sending all our love and prayers To Johnny and Monna's Family & Friends. We pray you are resting peacefully in the arms of God. God bless you Monna Young, Always Forever Young... RC
