“Mrs. Phillips was my 8th grade teacher at the Adrian Grade School and was one of my favorite teachers from my public school experience. She was always such a lady and dressed so well. I thought she looked and acted like a queen, but was very nice about it. She read the book, "Lorna Doone" to our class as a treat on Friday afternoons and I will always remember her doing that. I knew she had been raised at Indian Camp but she lived in town and I was glad she would drive back to Adrian to teach us. Some years back I sent her a sympathy card after I heard her husband had died, and she wrote me a beautiful card back. I have always treasured her card in her beautiful handwriting, and I will always keep it. I'm very sorry I didn't know about her death in time to visit the funeral home, and I'm sorry I didn't know she was at Holbrooks that I could have come and visited her through the years. She was very special to me and I will always remember her in a very special way. I thank God for the opportunity to have known her and be her student, and I pray God's peace upon her soul.

“ We remember so fondly this lady and her husband, Gerald. Charles worked with him at B & R Ford sales when we moved to Buckhannon as newlyweds in 1960. They were wonderful to us through the years and our children learned to love them. We were frequently invited to visit the farm to pick strawberries in the spring. Our kindest regards to the family during this time. There is no greater legacy than the love and respect of friends and family for the life lived. .

*With sincere sympathy,

“ Mrs. Phillips was my mothers teacher and when we moved back to Buckhannon from Oakland, MD, she became my teacher also. She knew immediately who I was as she said I was the very picture of my mother at that age and she was indeed the best teacher I or my mother ever had. When my mother had her in school, she said they moved and she wouldn't be going to the same school any longer so Mrs. Phillips offered to pick her up and drive her to school so she could stay in same class. That is just the sort of thing this fine lady and teacher would do to help her students succeed. One of a kind. I'm sure her rewards are great in Heaven. Prayers for the family.

Oh so many memories of this fine lady. Had her for a teacher and when
Christmas came around i had to be Mary in the Christmas play. When i
got out of her class i still had to be Mary in the school play. She said i
looked like Mary. My dad lived beside her in the 80's , She and her
husband would take my dad , sister, and niece up the country to their
farm , They had some good times together. She was a very classy ,
lovey lady, Mrs. Phillips , you are one of a kind. My daughter, Rhonda,
had her in school years later. She was so excited that she was
teaching my daughter. You will get your rewards. T. Arlene Ulm Adams

She encouraged me to stay in school and finally leave and go to Virginia. It is because of her I got an education and learned. to be proud of myself Thanks to her and a stepfather I am what I am today. God keep her in your arms nice and tight.*
