“ *Kathy, Livi and Ralph: In our 50+ years of being best friends (more like sisters), I think we had talks about literally everything going on in, and outside, our lives. I have so many wonderful memories starting when I was 18 and she was 21, that I could write a book. Our only consolation can be that she is at peace and pain-free now. She was a wonderful, kind and beautiful soul and I will miss her forever.*
