“ Fly high my Brother! You were quite a guy! You left great memories, especially when you lived at our house and you got tired of me being grumpy when I got up mornings, you started having me a cup of coffee ready when I came downstairs! Lol! I'll never forget that! You, Tom and Gary will have a great reunion! But remember dad's words! “Hold It Down”! Rest in peace my friend! Jesse, Daniel and David! My prayers and thoughts are with you all! I send you all my love! Beck!

“ Uncle Lee what do I say... first I love you! For always being their when I needed an “other dad” for advice when I couldn't really tell my dad things like you... you were always their the late nights on the porch or just setting their watching some movies and all the kids playing while we adults talked you saved me millions of times from needing someone to talk to when I needed them the most... You were an amazing husband and an amazing dad!!! You are going to be so greatly missed but I still never will forget the new down my shirt lol.... I love you and I will always miss you “dad” thank you for your love and treating my like your own girl
