“ I was nine and Randy was 5. We came from Peoria with our whole car full to revisit “home”. I think it was for Darius’s funeral He was the most dynamic personality that I had met. I visited again at 12 and was even more amazed at his infectious smile and big freckles. Im 69 now and he still vivid in my mind. Walking the river road to buy some pop at the local gas station , grocery store , and post office. RIP. I am so glad to have met you in my life
