“ Richard and I shared many hours together on a rig, he as a pusher and me as company man. He was a great man to work with, an excellent problem solver. I enjoyed the hunting trip we shared with our wives. I treasured Richard as a very close friend and confidant . Our lengthy phone calls will be missed. Rest in peace my friend.

“ Aunt Jody and Tabby - Our hearts go out to you at this very difficult time. Uncle Richard will truly be missed by all who had the pleasure to meet and know him and especially those of you closest to him. I dearly remember how you both opened your house to me continuously during my formative years. I probably spent almost as much time at your house as I did my own. They are all great memories. Thank you and God Bless! John, Krista, and Ben Marinaro

I knew Richard through UDI. He pushed on all of the rigs that I ever used. He was a great person to talk with and very knowledgeable about the job he was doing. I enjoyed sitting in the doghouse with him and just talking about whatever came up. He was truly a fantastic person to know and to be around. Rest In Peace my Friend, we'll take the next tour.

My condolences to the family, you will be in my prayers.
