“ I met Roger while he was director of the Parks and Recreation Service and was running the men's softball league. I considered him to be a friend ever after that and appreciated the manner in which he carried out his duties. I know he will be greatly missed. Condolences to family and friends.

*“ Shirley and family,
Patti and I send our sincerest condolences to each of you in Rodger's passing. I know of few people who are/were as kind, honest and caring as was he. Over the years, we spent many good times discussing bird hunting, the recreation park, and societal needs in general. He was also a great neighbor. Your loss is the loss of all who knew him as well as those who might have met him in the future.

“ This was such a nicely written obituary for our friend Rodger. Due to the pandemic, David and I had not seen him for quite a while, but we have fond memories of seeing him in "his pew" at Holy Rosary and talking with him in Marist Hall after Mass. David bought his book and really enjoyed it, and we wish we had asked him to autograph it. We will always remember him as a down-to-earth Christian man, who had integrity and who treated people with kindness. He contributed so much to the Upshur County community, and his legacy will live on.

Shirley and family, you are in our thoughts and prayers.

“ Sending thoughts and prayers for comfort to family and friends. Roger leaves us with wonderful memories of an excellent person and an avid outdoorsman.
