“ I am very saddened to have missed services for this fine man. Roscoe was a vendor of mine since 2001 and would visit me almost monthly for years servicing my rental units. I was in awe of how hard he worked well into his 80's. He and I had a running joke that he was "Older than dirt" and he loved to remind me of that. Despite obvious declining health he worked almost daily to the end which was admirable. He ran an old time repair business always trying to help you out with fair prices and used parts whenever possible. His knowledge and kindness will be missed. My prayers to his family.

“ By far one of my favorite memories with Uncle Roscoe was being able to sit with him and watch Wrestling. He was a big fan, and we had a good time joking around about the different wrestlers. Love you Aunt Vera, thinking of you all!

“ I so enjoyed every visit with Uncle Roscoe and Aunt Vera over the years. Among the many family gatherings everyone enjoyed him standing over a steaming pan of Ramps & Potatoes. And Uncle Roscoe not only a business man but a terrific gardener. He taught me a gardening trick, I've used for years. To keep the bugs off my lettuce, "spray with a little salt water" and for my little Florida garden surrounded by too many bugs to mention it was a great tip. You can say our Uncle was organic gardening before it was cool.

“ So sorry for your loss. Roscoe was a wonderful man . Numerous times he saved us time and money by telling us what part to buy and my husband Dave how to fix whatever was wrong with our appliance. At no cost except for the new part. RIP Roscoe and condolences to your family. 🙏🙏🙏🙏
