Uncle Roy my heart hurts. I'm going to miss our visits. All the stories you had to tell. I wish my daughter could know you. Much love. Xoxo

Jeannie, I’m so sorry for the loss of your dad. I remember how much he cared for you when you when you were students at Tennerton. I remember you being part of my fifth grade family. Holding both you and Bobby close to my heart.

I spent the summers of my youth up there hanging out with grandma and the cousins and the uncles and aunts that lived up there. Remember quite a few stories from uncle Roy.

My most memorable was growing some tulips in an old black plastic pot that he gave me to plant them in. They stayed in his yard and I tended them daily. Best flowers I've ever grown to date.

We would sit there looking at them and talk and just piddle around. Great memory. He will be missed for sure but I'm glad he's not struggling anymore.

Sending love to the entire family. I hate seeing my dad Andy sad. He had a lot of love for his older brother. I am glad I got to spend time with my Uncle Roy over the years. Even though I was sad to hear of his health issues, I am relieved that he has been restored by God and is on the other side now healthy and happy. Sending a special hug out to Bobby and Jeannie. With love - Priscilla Summers

Uncle Roy was the Uncle I grew up knowing when I was little. He lived with us for a period of time and was always a lot of fun. When we vacationed in WV at the farm, Uncle Roy was always there. He was a great uncle and I appreciate him being a part of my life. Rest In Peace sweet Uncle Roy.
