“ *Sometimes there are no words to express the feelings of the heart, but for Tonya I feel this passage expresses it heavenly.....
" Perhaps my time seemed all to brief,
Don't lengthen it now with undue grief,
Lift up your heart and share with me,
God wanted me now, He set me free".
Tonya lived her short life in the "Almost Heaven" State
she now has earned her "Wings" in the real location....Heaven.*

“ We have been deeply saddened by Tonya's departure at her young age. There was so much more this lovely young woman deserved to accomplish in her life.

Tonya ...you are in all our conversations, never forgotten in our thoughts,

remembered in our prayers and always in our hearts.

If we always think of you....you will never be gone.

Our love to the family and God bless you,

“ I am so sorry for your loss. Tonya always thought of everyone else before herself. She was a angel on earth and is now your guardian angel from Heaven.

“ Tonya,
The Angels gathered near your side and stayed very close to you because they knew the suffering and pain you had to endure and knew the agony you were going through. I truly believe, that with Angel wings you were taken away. I will miss you deeply but will cherish how you always kept in touch with me and always called me Mom. Your heart was filled with so much love. The fact that you're no longer here will always cause me pain, but I will hold on to the memories deep in my heart. Miss you, baby girl. God bless your family and may your soul rest in perfect peace.
All my love,
Jeanne “Mom” Phillips
