“ Dear Aunt Karen,

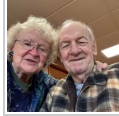

My sincerest condolences on Uncle Greg's passing. I'm grateful to have had the chance to meet my Grandfather's brother and connect with that side of the family. Meeting Uncle Greg last year was a special moment for me, not just as family but also as a fellow brother in arms. He stood the watch long before I was born, and in our uniform, the bond transcends generations.

It's truly sad to lose not only an uncle but a brother in service. Rest in peace, Uncle Greg. Your letters during my deployments meant a great deal to me, and I thank you for all the kind words.

With deepest sympathy,

Rafael Martie Jr.

Dear Rafael,

Thank you for your precious condolence message and for your attendance on Thursday, September 5, 2024, at Culpeper National Cemetery, the day of your Uncle William Gregory (Greg) Martie's Committal Service.

A few years ago, Greg was glad when he received your first written communication, telling him of your family and life, when these 2 families finally "found" each other after many decades of searching, done by members of both.

He enjoyed the photos you enclosed, and looked at the letter and photos frequently. Thank you, Rafael.

Your and your father's visit with your Uncle Greg last year was especially meaningful and I thank you, again, from the bottom of my heart for coming. I believe God's purpose was fulfilled in that visit, bringing an end to the search and making possible, the long delayed reunion of the 2.

May God's blessings be experienced, more and more, by you and all your family, daily. Amen.

*Sincerely,
Aunt Karen Martie*
