“Mrs. Vanscoy I am so sorry for your families loss. I am so glad I was able to attend the gathering back in the winter with all the guys including Henry. Working with Bill helped me learn to be a leader & decision maker. He always trusted us at work to make the right decision. He was always a positive role model and I'm a better person for knowing & working with him. God bless, prayers from the Kimble family

“My heart goes out to Shelia, and the girls, in the loss of their Husband and Father. I met Bill and his parents when I arrived in West Union starting my career in 1956. Later on I was associated with Bill when he founded the ever popular National Hunting and Fishing Day celebration. He started this well-coordinated event on the grounds of what is now the WV Wildlife Center. It has now expanded to a much larger event held at Stonewall Jackson State Park. Bill's contributions live on!
